91. 2015 Bodegas Naveran Dama Cava

Blend of 15% Parellada and 85% Chardonnay Region: Cava

I can't recall when I last had a vintage sparkler with this profile for under 40 dollars but I'm very impressed with this. Spain does not have many vintage Cava and a large combination of Chardonnay, gives the wine body and volume. Parellada, which imparts a zesty, bright character cuts through the buttery roundness of the Chardonnay to make it light enough to drink easily and pair well with seafood and even cured meats.
